

The Oil Drum: Campfire

Discussions about Energy and Our Future

What should we be teaching our children?

Posted by [Gail the Actuary](#) on October 3, 2010 - 7:39am in [The Oil Drum: Campfire](#)

Topic: [Environment/Sustainability](#)

If the world will be changing, what should we be saying to our children about it?

Should the peak oil story be taught in schools?
